Bulk Packing

Available according to customer requirements:

- **1 kg & 5 kg** — high-barrier laminated bags
- **10 kg** — food-grade bulk packaging
- **20–25 kg** — export-grade bulk bags/drums
- **Private-label packing** — customized according to specification and market requirements

Processing & Quality Controls

Field Selection → Harvesting → Receiving → Cleaning & Sorting → Low-Temperature Drying → Cooling → Cutting/Sieving → Metal Detection → QC Testing → Packing → Controlled Storage

The processing approach is designed to minimize excessive heat exposure and preserve the **natural aroma and quality characteristics** of the dried catnip.

Why MEHWER®

Himalayan Origin • Controlled Processing • Consistent Bulk Supply • Custom Particle Sizes • Export-Oriented Packaging • Batch-Based Quality Documentation
